Devotional

Look at What God Made!

Have you ever made something you were really proud of? Maybe it was a giant Lego castle, a funny dinosaur drawing, or something made from boxes, tape, and a lot of imagination. ~

When you finished, did you call someone over and say, “Look what I made!” You wanted them to stop, look closely, and notice the details. A quick “okay” would not feel the same as a big smile and a real “Wow!”

In Genesis, God made a whole world. Light shone. Land rose from the water. Trees grew fruit. Birds flapped and swooped. Fish splashed and swam. Animals came in every shape and size: tiny, tall, furry, scaly, speedy, and very, very slow.

Then God made people in His image. When everything was complete, God paused and looked at all He had made. He saw that it was very good.

God did not rush past His creation. He noticed it. We can do that too. We can look up at the clouds, enjoy the taste of fruit, listen to a bird, or really pay attention when someone says, “Look what I made!”

When we slow down and notice what is good, we remember how creative and caring God is. We also help people feel seen when we take time to appreciate what they made. 👁️

God made a wonderful world. We can slow down, notice what is good, and thank Him for it.

Talk Together

1. What is something you made that you were excited to show someone? How did you feel when they stopped and looked at it?

2. What is one good thing God made that your family sees often but sometimes forgets to notice?

3. When a sibling, friend, or family member shows you something they made, what could you say or do to help them feel appreciated?

Pray and Respond

Family Prayer

Dear God, thank You for making the world and filling it with so many good and wonderful things. Help our family slow down and notice what You have made. Teach us to be thankful, to care for Your creation, and to encourage others when they share something they have made. Amen.

Try This Together

This week, let each person choose one thing God made that they will pause to notice and thank Him for, and one thing another person made that they will look at carefully and encourage them about. At the end of the week, share what everyone noticed and appreciated.

“The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace.”
